Technology & Assessment in Physical Education

Using a large screen multimedia projection system, Bonnie will demonstrate how to use the most effective software programs, Internet sites, technology devices, and assessment technologies. You will leave Bonnie's seminar enthused, motivated and with a wealth of innovative ideas ready for immediate use in your program. Dr. Bonnie Mohnsen is an outstanding presenter with over 30 years of experience teaching physical education to students and teachers. Bonnie has been recognized by several professional organizations for her outstanding ability as a physical education teacher and leader.

Register via purchase order (fax to 419-828-2144), check (send to 18832 Stefani Ave, Cerritos, CA 90703, or online at <http://shop.pesoftware.com>)
